REMOVE ALL OBSTACLES

What is Flush?

Flush is a component of the Core4 Weight Management System. Flush is a unique and effective digestive cleanse and total body health product.

What does Flush do?

Flush provides a complete digestive formula that cleanses and detoxifies the colon while reducing inflammation and supporting overall digestive and immune health. Flush is a gentle organic, highly effective daily colon cleanse formulated that may help:

- Boost fat burning
- Support weight loss
- Improve digestion
- Remove pollutants and toxins
- Improve absorption of supplements
- Restore energy

Flush is the ideal supplement to combat the buildup of toxins and reinforce the body's natural defenses. Cleansing helps fight disease, promote total body health, and improve the functioning of the body's systems. Flush combines multiple ingredients into one comprehensive formula to allow the body to remove toxins in an efficient manner and work together to promote intestinal health.
